Mankind Thought Noah was a Fool

They Didn't Listen to Moses or the Prophets, Crucified Jesus Christ and Martyred His Apostles and Disciples to this Very Day. Now His Mother Is Making a Last Appeal.

Our Holy Mother has been appearing all over the world during the 20th and present century. Mother Theresa was asked why Mary is appearing in all these places and she said, "Our Holy Mother is very concerned for her children and wishes to protect and help them as any loving mother would."

This century's church approved apparitions are:

Dong Lu, China (1900-1995)

Fatima, Portugal (1917)

Beauring, Belgium (1932)

Banneaux, Belgium (1933)

Amsterdam, Netherlands (1945)

Zetium, Egypt (1968)

Akita, Japan (1973)

Betania, Venezuela (1976)

Our Lady of America, the Immaculate Virgin

On May 31, 2007, Archbishop Raymond Burke of St. Louis, Missouri, after a comprehensive review of all aspects of extraordinary apparitions and messages to Sister Mary Ephrem beginning in the 1950's, confirmed in a three-page letter to all his brother bishops of the United States Conference of Catholic Bishops that Archbishop Paul Leibold of Cincinnati, Ohio had already conferred canonical approval on these heavenly interventions prior to his unexpected death at age 58 in 1972. These are the first and only apparitions ever approved in the United States. The visionary, Sister Mary Ephrem (born Mildred Mary Neuzil 1916, died 2000), was originally professed in the congregation of the Sisters of the Most Precious Blood of Indwelling Trinity. The original revelations took place at the convent chapel of the Most Precious Blood of Jesus Sisters near Rome City, Indiana, and later continued at the contemplative branch convent's Our Lady of the Nativity Chapel in New Riegel, Ohio. Providentially, Archbishop Leibold was also Sr. Mary Ephrem's spiritual director from the 1950's until 1972.

It is significant that Jesus, St. Michael the Archangel and Our Lady first spoke to Sister Mary Ephrem in 1954, which was the 100th anniversary of the proclamation of the Blessed Virgin Mary's Immaculate Conception by Pope Pius IX. Just as significant was the formal consecration of America to Our Lady under the title of Her Immaculate Conception by all our bishops in 1846, eight years before the dogma.

Our Lady appeared to Sister Mary Ephrem in September of 1956, as Our Lady of Lourdes, promising many miracles if America complied with her requests. Again significantly, Our Lady had appeared to St. Bernadette at Lourdes in 1858 and said, "I am the Immaculate Conception." Also in 1958, Our Lady came to Sister Mary Ephrem "standing on the world" as she did in the Miraculous Medal revelations to St. Catherine Laboure, and with a crescent moon under Her feet with Her heel crushing the dragon similar to Our Lady of Guadalupe (Empress of the Americas). All these images reinforce our Blessed Mother's role in salvation history and Her love for America because of our great and long devotion to Her as the Immaculate Virgin.

On September 26, 1956, the feast of the North American Martyrs, the Blessed Virgin Mary appeared to Sister Mary Ephrem for the first time as Our Lady of America, the Immaculate Virgin, and began giving Sister the body of Her messages for the United States of America.

Our loving Mother told Sister Mary Ephrem that She has chosen America to focus on purity of heart, and chastity, and holy families in which the Holy Trinity will then dwell, thus providing them with protection and abundant blessings. By this privilege and mandate with which She has favored America, She will shower us with an abundance of graces so America can achieve the holiness necessary to lead the world by our example to live in accordance with God's Divine Will regarding purity and holy families. Our Lady stressed that this is the only way to achieve peace in our country, and peace in the world.

In 1956, while the Basilica of The Immaculate Conception was under construction in Washington, D.C., Our Lady appeared to Sister Mary Ephrem holding a model of the basilica, and requested that a large statue of Her as Our Lady of America, sculpted under her direction, be solemnly processed and permanently installed and venerated at the basilica honoring Her Immaculate Conception. Once this occurs, the basilica will be blessed with more miracles than Lourdes and our country will receive a tremendous flow of graces through Our Lady, the Mediatrix of Graces, and the Divine Mercy of spiritual enlightenment from Her Spouse, the Holy Spirit.

Our Lady emphasized her role as Mother of Sacred Humanity and as Co-Redemptrix of the human race. She helps souls achieve holiness as members of Her son, Jesus' mystical body. She implored Her beloved bishops and priests to promote Her messages and mission as Our Lady of America, and inspire the faithful by their personal holiness in their imitation of Her son Jesus, especially by their penance, mortification, reparation and evangelization.

Our Lady begged us to pray devoutly the holy rosary, especially the family rosary. She said the praying of the rosary binds us to Her forever, and when rosarians leave this world, She will personally lead them to heaven.

Our Lady asks everyone, especially the youth, to be chaste soldiers in Her army of Torch Bearers of the Queen, bringing the light of Christ to our spiritually blind country and world. On October 5, 1956, the eventual feast day of St. Faustina, the secretary of Jesus' Divine Mercy, Our Lady inspired Sister Mary Ephrem to write the powerful prayer of consecration and supplication to Our Lady of America, Patroness of Our Land. This important prayer received the imprimatur of Mons. Paul F. Leibold, Auxiliary Bishop of Cincinnati, and the nihil obstat from Father Daniel Pilarczyk (later a bishop) on January 25, 1963. Since Archbishop Burke's formal announcement on May 31, 2007, this prayer, with a picture of Our Lady of America, is flooding our country in unimaginable numbers.

In 1958, the 100th anniversary of Our Lady proclaiming at Lourdes, "I am the Immaculate Conception," Our Lady requested that a medal be struck showing Her as She first appeared to Sister Mary Ephrem on September 26, 1956 with the following words around the perimeter: "By Your Holy and Immaculate Conception, O Mary, deliver us from evil." On the reverse side were to be the coat of arms of the Christian family, the symbol of the indwelling Holy Trinity (an eye in the center of the triangle, on the red shield of the Precious Blood of Jesus), with the holy rosary draped over both symbols. Around the perimeter were the words: "Gloria Patri et Filio et Spiritu Sancto," and "Jesu, Maria, Joseph." Just as She told St. Catherine in Paris in 1830 regarding the Miraculous Medal, Our Lady of America

promised extraordinary graces and protection, and now additionally, purity of heart, for those who wear it with great faith.

St. Joseph has a major role to play in Our Lady of America's desire to lead America to purity in love. He is the model for fathers and protector of the family. He also said he is the protector of all popes who are the vicars of Jesus Christ, and he participates as a cooperator with His spouse, Mary, the Co-Redemptrix. St. Joseph desires that a special feast day honor his unique fatherhood, his purity, and perfect obedience to Divine Will. Jesus and Mary told Sister Mary Ephrem that they desire that St. Joseph be honored on the first Wednesday of every month, by the faithful going to holy mass and praying the joyful mysteries of the rosary (similar to the nine first Fridays devotion honoring Jesus' Sacred Heart, and the five first Saturdays devotion honoring the Immaculate Heart of Mary).

The Archangel Gabriel told Sister Mary Ephrem that Jesus was pleased with her efforts on behalf of His Mother, and He wanted Sister to learn great purity of heart from His Mother.

St. Michael the Archangel appeared several times to Sister Mary Ephrem as the Angel of Peace. He said he comes to those whose hearts are attuned to the voice of God. Jesus sends him to these holy souls as a supernatural light to guide them through the spiritual darkness of this evil and dangerous world.

Jesus had many encounters with Sister Mary Ephrem and called her "His little white dove," and again, "little secretary of My Heart." Jesus told her that the voice of His heart was the voice of mercy, and if mankind continues to reject Him, who is the light of the world, and His constant pleas for repentance and conversion, then we will experience a terrible purification. Jesus said: "Choose My love or My Father's anger." "Every home and every soul is My Father's house, but many of them are no longer sanctified by His presence." Jesus said His heart hungers and thirsts for our love. It saddens Him that most children are not taught to know Him and love Him. Jesus said that parents have a great responsibility to educate their children. He implores them to teach their children

to know and love Him, and they will be judged severely regarding this grave duty, and woe to children who disobey and show disrespect for their parents.

In conclusion of this brief and selective summary of these urgent interventions of Divine Mercy, it is important to stress that time is of the essence. A general analysis of the state of our nation's morals, purity in love, holiness in families, and the importance of religion in our culture during the period in the 1950's when these apparitions began, when compared to where we are today, speaks volumes. Our Blessed Mother as Co-redemptrix, Mediatrix and Advocate has been appearing and speaking all over the world during these same years about the urgency of living and evangelizing Her peace plan from heaven...or else!!!

Our Lady told Sister Mary Ephrem that the peace She promised at Fatima has been delayed because of the ever increasing sinfulness of the world, and that She has repeatedly interceded to hold back severe chastisements and purifications. Therefore, it is now essential that we respond quickly and intensely to Her pleas to lead our country and, by our example, every nation to live purity in love and holiness in families. Our Lady of America's messages are extremely encouraging for Her many armies who are battling to cure the satanic sexual insanity and spiritual blindness that now dominates the whole world, and trying to avert the Divine justice and punishments awaiting us if we continue to ignore Her pleas, and be indifferent to, and/or reject the teachings of Her Son Jesus through his One True Catholic Church.

The messages and mission of Our Lady of America are complementary, and to a certain degree interconnected, to the many other already approved apparitions at Fatima, Divine Mercy, Akita Japan, and Amsterdam. We thank Almighty God for Our Lady of America, the Immaculate Virgin, and for choosing America to capitalize on its reputation as a world leader, to help our 6.6 billion brothers and sisters experience purity, holiness and peace. Amen.

Mankind Thought Noah was a Fool ~ continued from page 1

Medjugorje and Garabandal are still under investigation. Our Holy Mother is allegedly still appearing to the seers of Medjugorje. Padre Pio, as well as many other prelates, believed in Garabandal.

Maria Esperanza, the visionary and mystic from the approved Betania apparition...told me personally that Mary is appearing in Medjugorje. All this means absolutely nothing if the church does not give its final approval. She also told me that Our Mother Queen of Peace Coalition will be instrumental in the restoration of a strong Catholic faith to

Long Island. All the Marian apparitions can be summarized by Mary's words from the Bible, "Do whatever He tells you." John 2, 2:5

Mary asks us today to pray, pray, pray and fast. Go to confession at least once a month. Get to Mass as often as possible, pray the rosary every day, carry blessed sacramentals, rosary beads, medals, scapular, and keep holy water in your homes.

As in Fatima and previous apparitions, Mary gives warnings to priests and religious and to the whole world to convert their hearts to Her Immaculate Heart and

that of Her Son. On October 13, 1973, the anniversary of the miracle of the sun at Fatima, Our Lady told Sister Agnes, (the seer from Akita), "If people do not repent, God will send a terrible punishment. It will be more severe than ever before, worse than at the time of the flood. A fire will fall from heaven and most of humanity will be destroyed, and neither priests nor faithful will be spared. Survivors will be in such desolation that they will envy the dead." Our Lady added that the only weapons left to us will be the rosary and the sign of Her Son. "Satan will enter the Church with

MESSAGES OF THE BLESSED VIRGIN MARY, MEDJUGORJE

Message of August 25, 2013 *"Dear children! Also today, the Most High is giving me the grace to be with you and to lead you towards conversion. Every day I am showing and am calling you to conversion, that you may be prayer, peace, love - the grain that by dying will give birth a hundredfold. I do not desire for you, dear children, to have to repent for everything that you could have done but did not want to. Therefore, little children, again, with enthusiasm say: 'I want to be a sign to others.' Thank you for having responded to my call."*

cardinals opposed to cardinals and bishops to bishops, priests who revere Me will be despised and attacked and their church altars desecrated. The church will be filled with those who accept a spirit of compromise. Satan will concentrate especially on attacking and deceiving consecrated souls...I alone am able still to save you from the calamities which approach. *Those who place their total confidence in Me will be given necessary help.*"

On Easter Sunday, April 22, 1984, Bishop John Ito declared the events in Akita to be supernatural in origin. In June, 1988, Cardinal Ratzinger in the Vatican declared that the events in Akita were reliable and worthy of belief and essentially the same as the third secret of Fatima. What has been revealed in Akita and Fatima is essentially what has been said in Medjugorje and Garabandal.

There is one essential addition to the predicted chastisements, which have already begun. It has been predicted to Blessed Anna Maria Taige (1769-1837), theologian, mystic and prophetess, that a warning will occur before the great chastisement. This is corroborated in both Garabandal and Medjugorje. A great miracle will occur, in both locations, for the whole world to see as a warning. It will be a time of grace to see yourself as you really are. It will be an act of Divine Mercy. It will be a time of choice. Choose God or Satan. Our Lady said at Garabandal that if we truly repent after receiving the warning, we can avert the chastisement or at least lessen its severity. The miracle will be a permanent sign until the end of the world. It will point us to heaven and prompt many to choose holiness but others will not accept the invitation. The commission for Garabandal will not make a final decision until after the miracle.

The popular vision of St. John Bosco (1815-1885) depicts the struggling church as predicted in the Book of Revelation. He saw the pope steering a ship (the Church) through treacherous waters. The ship was aided by the light of the Holy Eucharist and Our Holy Mother. Mary has revealed in her recent apparitions that the world will undergo severe trials but afterwards there will be an era of world peace under the guidance of DIVINE WILL.

In summation, the world must recognize Jesus Christ, be loyal to the Pope, do penance, convert, have true devotion to the Blessed Sacrament and Our Holy Mother, pray the rosary. This will be the time promised at Fatima, 1917, when Our Holy Mother said, "My Immaculate Heart will triumph." All the hearts of "Mary's Children" will be one with Hers.

Our Holy Mother said, "If you knew how much I love you, you would cry for joy." She has never left us alone. Take time and read Blessed Ann Catherine Emmerich's "Life of the Blessed Mother" and "The Glories of Mary" by St. Alphonsus de Liguori and begin to enjoy Her love for us.
